Dear Coraopolis homeowner,

Rebuilding Together Pittsburgh (RTP) is a local nonprofit that provides home repairs at no cost to low-income homeowners. This year, RTP is partnering with **Coraopolis Community Development Corporation** to provide free home repairs to households throughout Coraopolis Borough.

You are receiving this letter because you may meet several of RTP's qualifications; you own your home, you are up to date on property taxes, and you have owned your home for 3+ years. To be considered for services you must also meet RTP's income qualifications.

RTP and Coraopolis Community Development Corporation hope to provide free home repairs in Coraopolis Borough for several years to come. Showing demand from homeowners like you is key to ensuring that these homes are just the beginning. We strongly encourage you to apply if you qualify. We also encourage you to spread the word to friends and neighbors within the Borough that meet the above qualifications.

Please do not hesitate to reach out with any questions. Thank you in advance for your interest!

Sincerely,

Katie McAuley
